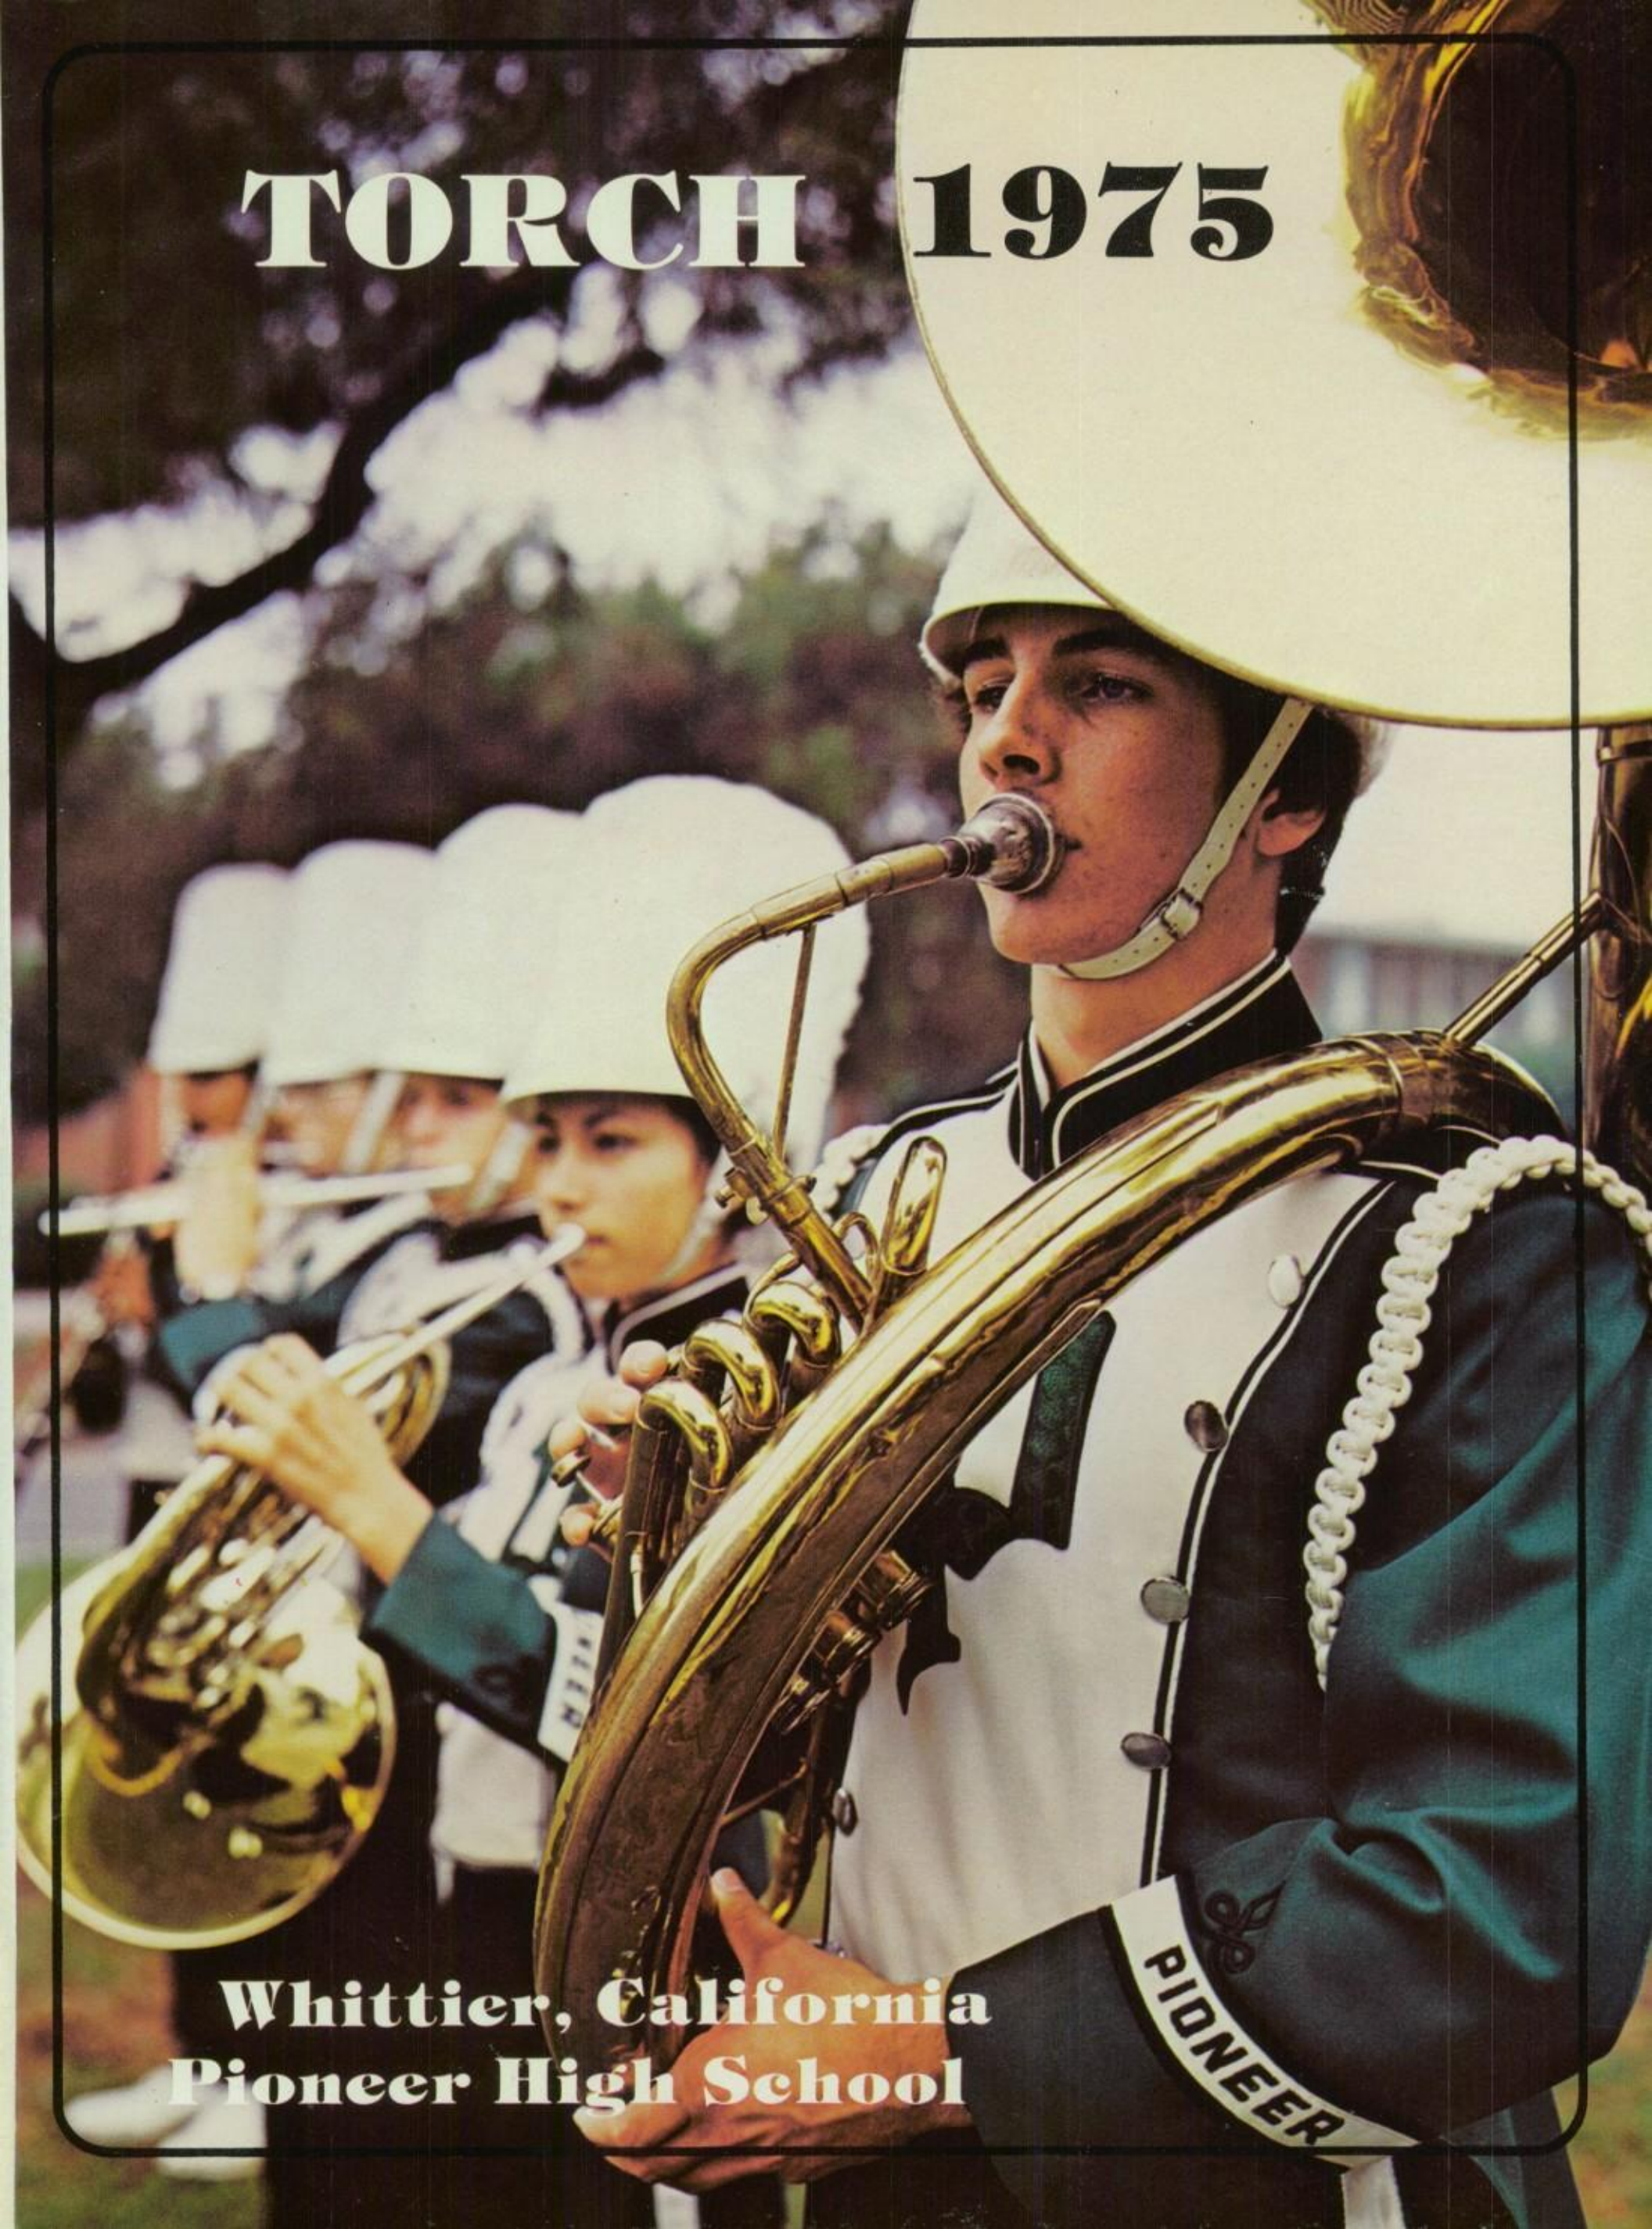
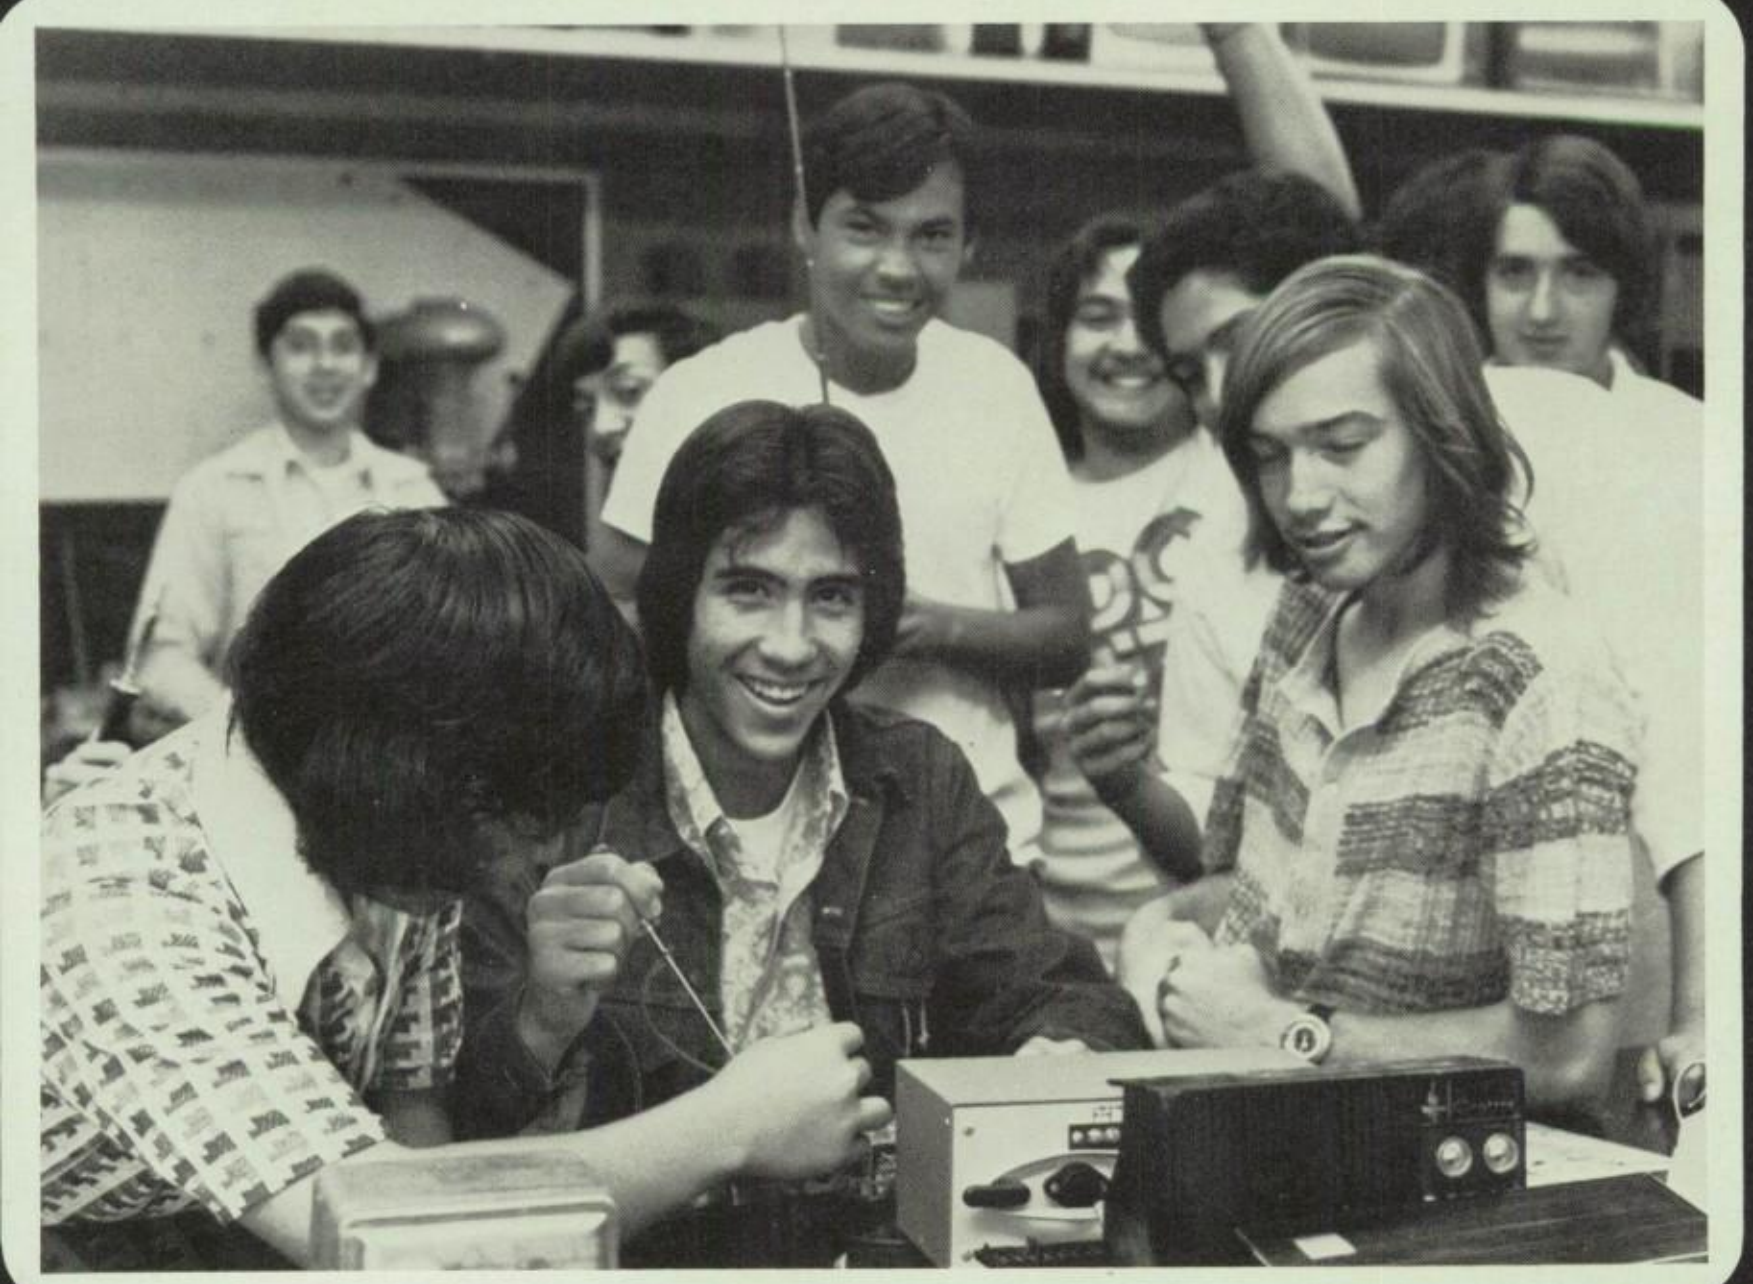
TORCH 1975



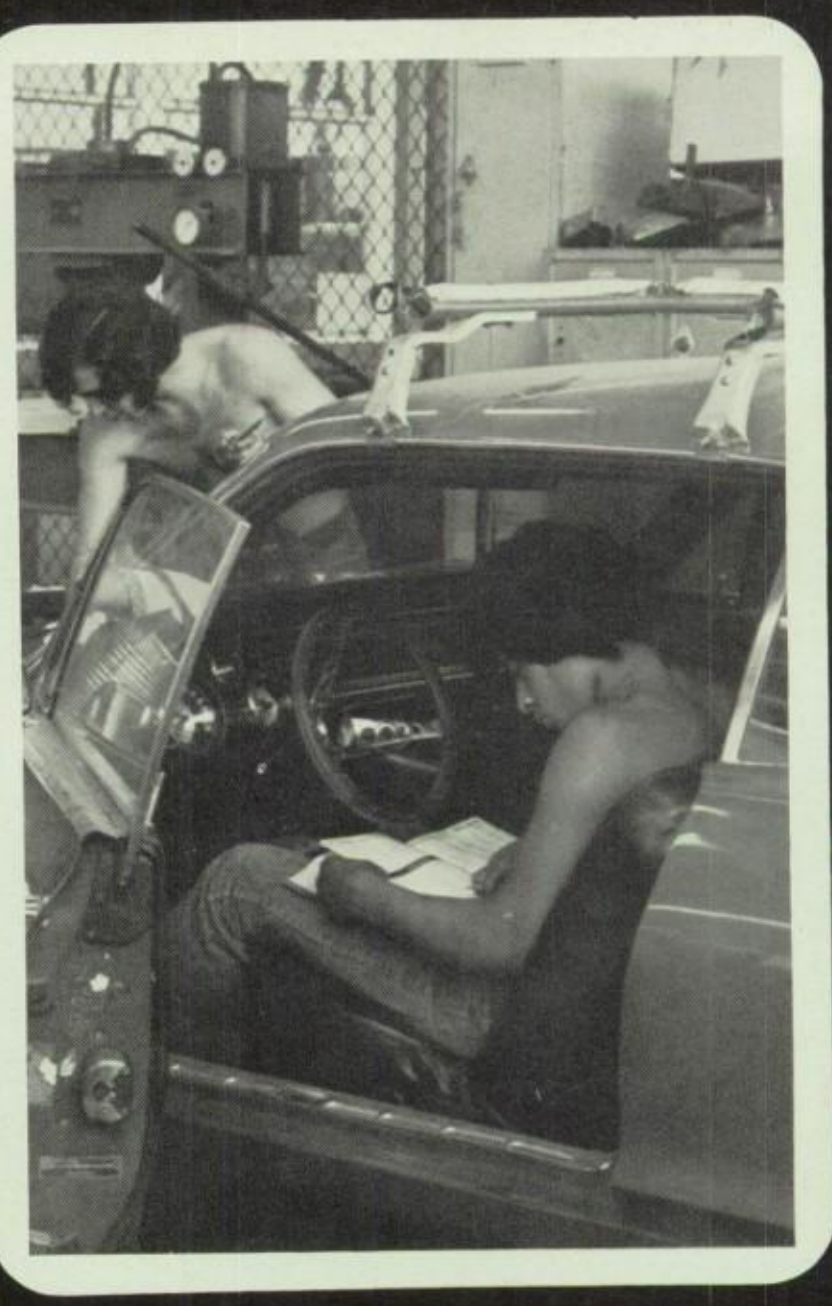
Whittier, California
Pioneer High School

Everyone is free, free to be what they want to be. A free mind explores the unknown, never accepting limitations. Set your spirit free, see how you grow!



Self expression is always needed,
every mind should be free.

In the mist floats new ideas.
They drift freely in the air
waiting only for an open mind.



HOMECOMING COURT

Alive!
Life can not exist if it is not free.
People, alike or different?
What does it matter,
so long as they are free.

In different walks of life, different shapes and sizes, all people must be free. So float freely through the sky with the wind at our back. We must be free.

Super Titan

With heart felt affection and admiration, the Annual Staff would like to dedicate the 1975 TORCH to a man who is important to the entire student body here at Pioneer.

A graduate of Southwest Missouri Technical College, he also attended Southern Illinois University and did graduate work at California State University at Los Angeles.

He came to Pioneer in 1960, serving first as wood shop teacher, then counselor, and finally Assistant Principal in Business and Activities. His duties are quite numerous. He advises the ASB Cabinet and keeps a watchful eye on all other student activities; dances, assemblies and athletic events. In addition, he attends many outside events in which Pioneer students are participants.

Although busy, he also finds time for various hobbies, such as traveling and fishing.

For years of concern and continuous help, the 1975 TORCH is dedicated to

Senior Council Coasts to Graduation

With great enthusiasm, the Senior class officers and council planned the customary Senior activities. John Letcher, faculty advisor, helped the council as they organized the Senior Mothers' Tea, the Senior Breakfast, and a special Seniors-only dance. Because of ample funds from previous year's fund-raising projects, the council was able to plan activities with no money worries.

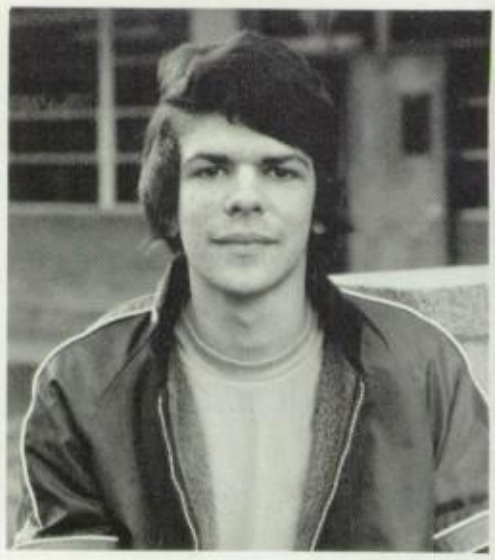
Seniors Attain Life Membership



This year 19 graduates qualified for CSF Life Membership. To attain this highly honored achievement they must be a member of CSF four out of the last six semesters; one of which must be in their senior year.

Members receive a CSF Life Membership Gold Seal on their diplomas, are recognized at graduation, and are honored at the annual CSF awards dessert.

Outstanding Seniors Win Awards

The Bank of America Awards are presented annually to fifteen graduating seniors who have made outstanding achievements in certain fields. Eleven of these fifteen seniors are awarded certificates and the other four are awarded plaques in four general subject areas. These areas are Math and Science, Liberal Arts, Fine Arts, and Vocational Arts.

Plaque winners are eligible for scholarship competition with other winners from the Whittier area and throughout Southern California. In May, all the Southern California winners are presented with trophies at a dinner held in their honor.

The award winners are selected according to their grade point average and teacher's recommendations; the final decision is made by the guidance personnel.

Away And At Home, Outstanding Titans Represent Pioneer

Betty Arriaga was this year's DAR winner.

The DAR Citizenship Award, sponsored by the Daughters of the American Revolution, is given annually to a senior girl. The qualifications for this award are: cooperation, leadership, dependability, service and patriotism. All senior girls at Pioneer vote for the girl they feel is the best qualified.

The assistant principal of guidance and the counselors are given the names of three girls receiving the most votes, and they then select the winner.

This year's State Representatives were Kathy Reed and David Roman. Last summer they attended the convention held in Sacramento.

The program was organized in order to give high school seniors from all over the state a better understanding of California State government.

Congress Changes Constitution

This years Congress dealt with changes affecting not only the present student body, but those yet to come.

Headed by Jim Shultz, Congress tried to hold meetings outside class time, allowing other students an opportunity to attend and participate. Congress was engaged in a number of disagreements with Cabinet on the issue of revising the ASB Budget; through their efforts, Cabinet was persuaded to discuss the budget in open budget hearings.

Congress is responsible for authoring, ratifying, and presenting to the student body a new constitution. The new constitution, which was ratified by the students in late March, creates a student Senate, the office of Human Relations Chairman, and a structure more able to deal with student needs.

Varsity Yell Leaders Energize Titan Spirit

The Varsity Yell Leaders once again returned with a terrific squad, inspiring the crowds at games and pep rallies. The squad was led by Kathy Reed and consisted of two other returning members, Lori Hebert and Chris Hartel. With contributions from all the squad members, they created much spirit in the school and had a very successful year.

Vivacious Song Leaders Enhance Pride

The 1974-75 Song Leaders were an important part of the pep squad. The Songsters were led by Terri Lara, head, and Yolanda Rodriguez, co-head, who were just two of the five returning members. Once again they gave us an excellent performance and received many awards for their hard work. The Songleaders added a lot of talent and spirit to the Titan Pep Squad.

Vocal Ensembles Perform for Community

The year 74-75 turned out to be very successful for Pioneer's vocal ensemble, the Titan Tones. Directed by Ken Orr, the group performed at numerous concerts for people all over the community. The high point of the year was the concert tour to Mexico where the Titans gave concerts in the cities of Navajoa and Durango. Besides practicing and singing, the group had fun at the various fund-raising activities. This years officers were George Cuevas, President, Irene Ramos, Vice President, Susan Burdo, Secretary and Janet Holmes, Treasurer.

Titan Bands Contribute Melodic Spirit

The Titan Marching Band, with Jim Quiroz as director, worked hard this year to perfect their marching and musical skills. Throughout the fall, they performed in many half-time shows and parades. At the Chaffey Band Review they received second runner-up, and they placed third at the Whittier Union High School District Band Jamboree.

Most of the members of the Marching Band are also in the Concert Band. They played in the Christmas Program, the Music Festival at Rio Hondo, and a spring concert here at Pioneer.

Some members of the band were selected to participate in the Whittier Union High School District Honor band.

Dancing to "Celebration!", the girls' first performance was in the Welcome assembly. Led by Lisa Ramirez and Sue Burdo, the team's achievements during the parade season include: Sweepstakes in the Hawthorn Band Review, First place in the Glendale Parade, and second place in the West Arcadia Band Review. The drill team also performed in the pre-game and half-time festivities at the Rams-Viking game in the Coliseum, in the Whittier Christmas Parade, and in the Fantasia Parade at Disneyland. 1974 Homecoming, A Kaleidoscope of Joyful Memories

October 18th was the date of Pioneer's 15th Annual Homecoming. Memory Hall, with pictures of activities of years gone by, was set up for the enjoyment of students and returning alumni.

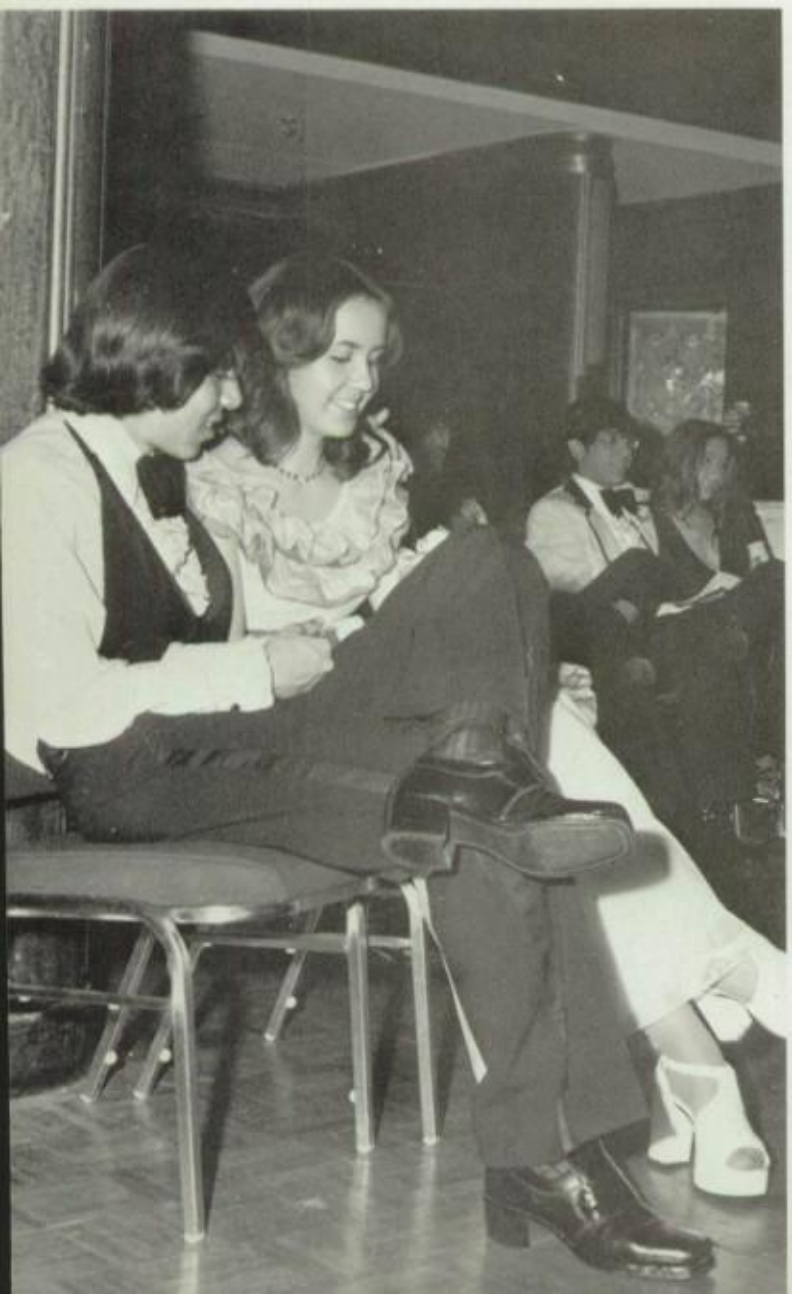
At half-time, Betty Arriaga was crowned Homecoming Queen by Elaine Rivera, 1973 Homecoming Queen.

The night became a complete success when our outstanding football team defeated Cal Hi by a score of 34-7.

"Ours to Remember"

On January 11, the 16th annual Girls' League Dance was held aboard the Queen Mary. Tradition has it "girl ask guy"; she pays for tickets and dinner, he pays for pictures and any other expenses.

Entertainment was provided by CARRY ON. The evening was a memorable one for all those who attended.



Gabby Aranda Crowned Christmas Queen

It was a big night for the Alumni Basketball Game and the Christmas Dance. All alumni basketball players were invited back to tackle the 74-75 Titan Team. The alumni defeated the Titans by a score of 47-42. Following the game was the Christmas Dance. Tomasa Lozano, Cathy Gonzales, Sylvia DiPonio, Alice Jordan, and Ranita Harris were crowned, followed by Gabby Aranda being crowned "Miss Christmas" of 1974. Top Photo: Gabby Aranda. Expanded Horizons Aids Students

The goal of the Expanded Horizons Program is to ensure that students at Pioneer become aware of and take advantage of the recreational, vocational, and educational opportunities which are open to them. Thanks to the cooperation and work of students, staff, tutors, parents, teachers and administrators this year's Expanded Horizons Program was exceptionally successful.

Some of the outstanding activities and endeavors of the program that took place during the year included: fund raising, community and school related activities by the Parent Advisory Committee; community work, social and educational field trips for the Expanded Horizons Club; tutors from California State University at Long Beach and Whittier College offered invaluable help to the students with academic difficulties; the Folklorico Dance Group performed at hospitals, civic organizations, elementary schools, junior high schools, and also for the student body on several occasions; the College Advisement branch of the program processed the paperwork of over one hundred college-bound seniors and offered numerous college campus visits; and the reading program teacher offered individualized and concentrated instruction for those students of very low reading levels.

The Expanded Horizons staff regards the welfare and the need for success of the students as its major priority and works towards that goal.

GIRLS' GYMNASIUM

Proud Year For Titans - 1975

Seven year veteran, Head Coach Bob Spindola, led an awesome Titan Varsity to a three way tie for second place in the Whitmont League, finishing one game behind La Serna.

The Titans defeated both Montebello and cross-town rival, El Rancho in pre-season games, as they prepared for a highly competitive Whitmont League. After shutting out Sierra, 21-0, the Titans dropped a game to La Serna. They then went on to upset California, 34-7, and Whittier, 34-0. Following the turnover with Monte Vista, 29-14, and again, shutting out Santa Fe, 33-0 in what was probably the Titans biggest and best game of the year.

The Titans went on to the first round of C.I.F. with St. Paul as their opponent. St. Paul was forced to forfeit the game because of unethical conduct, and the team advanced to the second round of the playoffs, where they were shut out by Newport Harbor, 37-0.

Sophs take Fourth; Frosh take Second

The Sophomore team led by Co-captains Don Fitzgerald, Chris Kityhara and Anthony Martinez had a hard season. They ended up with a 3-5-1 season record and took fourth place in the Whitmont League.

The Freshman Team, under the supervision of Coach Lee Panagos, and Coach Richard Bergenthal, turned out a very successful year. They ended up with a 7-1-1 record, only a half game behind the first place team. Throughout the season, the highly skilled Titan offensive unit scored 188 points, while the strong defense only allowed the opposing teams to score 60 points.

John Rodenbucher, Gilbert Bencomo, Jim Abshier and Mike Grijalva are a few among the squad who led the Frosh team to their victories. The Soph and Frosh teams have proven the Pioneer had a very promising future in football to look forward too.

Long Season Struggle

The Titan JV. Cagers suffered through a rough season, up against tough opponents. They ended the year with a 3-11 league record. The team was basically made up of sophomores this year, but the hard work and effort they generated made up for their inexperience. They all showed great potential and will supply the Varsity with a lot of prospects for next year.

Sophs Have Best League Record

The Sophomore team once again, under the coaching of Vince Diaz, experienced a fine season with an 8-4 league record. The Sophomores have had the best record of all the basketball teams at Pioneer this season. They all practiced hard and got along well with each other both on and off the court.

Ronnie White, Larry Barraza and Gonzalo Garcia, team captain, are just three of the members who helped make this team a great success. All the members are looking forward to next year.

Although Larry McMillan and Tim Reyes were the only experienced players, the netters had a lot of hard working teammates who showed devotion to what they were doing. The Varsity Team was instructed by Coach Kauffman, and Coach Harlan was in charge of the JV team. They both know how hard their teams have worked and are proud of them.

One of the best wrestling seasons that Pioneer has seen was turned out by the Titan wrestlers this year. They placed five members to the All League Team; Mark Armendariz, George Kirylo, John Apodaca, Richard Jerez and two time all leaguer, Tony Primrose. CIF prelims were held at Arroyo High, where Tony Primrose, the only CIF qualifier from Pioneer, beat his opponent and went on to CIF finals where he was defeated by four points.

Swimmers Splash Through Tough Season

They had three members placing in league finals. Bill Weslanski, diver, placed third for Varsity. Sam DenDeckker placed a first and Mike Wooldridge, a third, for the Frosh-Soph team.

Both the coach and the returning members are looking forward to a better turn out of people and a better season next year.

Jerry Jacobo has shown to be a great pitcher, along with Jim Carrillo and Bill Arce. Bob Wilkinson and Victor Rodriguez are back again with their great hitting ability.

Coach Pollock and the rest of the team were looking forward to a good season.

GAA Promotes Physical Fitness

The Girls Athletic Association, headed by Donna Sanders, had a very creative year. Each sport had an exceptionally good turn out with all G.A.A. members putting in their utmost for their teams.

The officers promoted great enthusiasm as they worked during the summer planning car washes, aluminum can drives, Daddy-Daughter Sports Night and even airplane washes. The greatest event for our G.A.A. girls is the initiation of the G.A.A. sweaters. Hopefully, this idea will continue next year and the years to come.

This year has been a great year and very rewarding one for all G.A.A. members.

Junior Class
The Spirit of '76

The Junior Class has proven that cooperation is the key to any outstanding organization.

With the help of both officers and council members they had an overwhelming response for the Homecoming dance. Another big accomplishment for the spirited Juniors was their candy sale. The main event for the Juniors, however, was the Junior-Senior Prom. It was held at the Coconut Grove on May 3, 1975.

Sophomores Plan for Future Activities

The Sophomore class officers and Council started the year off right. Their first money-raising activity was a car wash and bake sale combined. Later in the year, they held an Enchilada Dinner, a first for the Sophomore class, which was a great success. They also planned the traditional Slave Day. The money will go towards the next year's Junior-Senior Prom.

With the help of their advisor, Bart Harlan, it turned out to be a very prosperous year.

Enthusiastic Freshmen Enhance School Spirit

The Freshman Class of '78, led by Larry Carrillo, had many fund raising activities for their first year here at Pioneer.

The cabinet and council worked together to put on a Skateland party late in February. During Pep Week the Freshmen placed second in competition for the Spirit Jug. With their advisor, Steve Powell, they all had an enthusiastic and rewarding first year.

Adult Groups Support Pioneer

The Board of Trustees and District Administrators are concerned with the Whittier Union High School District as a whole, as well as the individual needs of Pioneer. It is of great importance to them to see that all students graduating from Pioneer are adequately prepared for future endeavors, educational or vocational.

The Teacher's Club and P.T.A. are concerned with the problems of Pioneer as a teaching institution and its relationship with the community. The Teachers' Club represents the teaching staff; striving to care for whatever needs may arise. The P.T.A. represents the community; they attempt to keep the channels of communicaiton open and well used. Because of great local effort, a very important tax measure was approved, assuring the schools of continued support for the next five years.

Dr. Haines Communicates Views on Freedom

The theme of this year's Torch, "Free to Be", highlights a very important aspect of life at Pioneer.

In this complicated world, a high school has the responsibility to help each student develop to his or her fullest capacities. That is why the staff at Pioneer is dedicated toward providing the broad experiences and the environment where each of you Titans can be "Free to Be".

I personally give strong support to that concept. Each year I talk to many students, and particularly to all freshmen, about the importance of developing their own "self concept" in addition to helping others by caring, showing respect, and providing support to other persons on the campus. My main purpose in doing this is to help continue the "Free to Be" atmosphere. It does not mean that anyone can do anything he wants. It means that a person can and should develop to the fullest within the organized society, and that he has the responsibility to do that without hurting or downgrading someone or something else.

It also means that a person has the opportunity and responsibility to seek change if our society, including Pioneer, restricts his freedom to be. Pioneer does have the procedures, the capability, and the mood to change when students or staff members seek that change. I hope everyone understands and feels that they are a part of the making of Pioneer's society.

I believe that when people know these possibilities that they rise to the occasion and to their responsibilities and become much stronger citizens for it. The many good citizens that Pioneer produces are a direct result of the atmosphere that this year's Torch has highlighted, "Free to Be".

Pi Hi Maintained by Administration

The members of the Administrative Staff did much to improve the atmosphere and school functions here at Pioneer. Principal Gerald L. Haines, Ed. D., led the endeavor to promote good feelings between students and administration. Because of their hard work, a sense of unity is felt throughout the school.

Helping to maintain this sense of unity are our three assistant principals. J.C. Low held the position of Assistant Principal of Business and Activities, John Kimmick remained Assistant Principal of Curriculum and Bill Kirk continued as Assistant Principal of Guidance.

Devoted Counselors Aid Titans

This year Pioneer welcomed two new members to its Guidance staff. Julie Hilla and Tony Gandara accepted positions as counselors, filling the vacancies created by Dave Van Pelt and Zane Thompson. Assisting them to become acquainted with their new duties were Woodrow Odanaka, Paul Montes, and Robert Fiske.

Because of their great concern, the counselors devoted many hours of hard work to aiding students; their guidance often helping students find answers for the many problems they face each day.

Special Services Staff Aids Titans

The Special Services staff saw to all the unique needs of Pioneer's students.

Three new members were added to the staff. Dan Garcia filled a new position at Pioneer: Attendance Coordinator. Any problems pertaining to school attendance records are handled through his office. Art Ponce replaced Luis Hernandez as Expanded Horizons Coordinator and Bill Brand took over from Jim Fretz as Assistant in Business and Activities.

Continuing to assist students in their specialized fields are Doris Dean, School Nurse and Joe Hazard Librarian. And also aiding students whenever possible are Dan Nay, Curriculum Coordinator and Darlene Staib, EWEE Coordinator.

Custodial, Cafeteria Crews Care for Titan Needs

The custodial and cafeteria crews are an important part of Pioneer. Working hard behind the scenes, they do not receive the praise they richly deserve.

The cafeteria crew strives to prepare tempting food for hungry Titans; the custodial crew cleans and sets up the equipment needed for various activities. The two most familiar faces are, of course Elizabeth Fowler and Willie Lopez. These two can always be found in the Girl's and Boy's Gym, taking care of our many needs.

If it were not for the hard work of these people, we would have none of the facilities we have come to enjoy.
